

It is easy to setup a standing order via your online banking app but this means leaving our website to complete the process. For this reason we ask you to stick with us and read through Part A and then complete the [instructions](#) in Part B.

Part A: please read through the steps you will take:

1. First you will make a note of our bank details so they are available to you when you complete step 3.
2. Then you will have the opportunity to gift aid the donation you are about to make. This allows you to fill in the gift aid form on our website before heading off to your bank to set up the donation.
Donating with Gift Aid means Diapalante can claim an extra 25p for every £1 you give. It will not cost you any extra Diapalante claims the gift aid from HMRC.
3. In step 3 you will leave our website and use your banking app and use the details you noted to set up a standing order
